About the Institute:

ELITTE COLLEGE OF ENGINEERING, established in the Year 2015, esteemed as the Premier Engineering Institute in the State of West Bengal, was managed by Pinnacle Education Trust with an Objective to facilitate the Best Engineering and Management Education to the Students and contribute towards meeting the need of Skilled and Technically conversant Engineers and Management Professionals, for the Country that embarked on an Economic Growth Plan. The Institute, committed to Education and Innovation, started with four-Degree Courses in Engineering for 300 Students. It has emerged as a Dream Destination for Students seeking to excel in Engineering and Management Education, Teaching Community to progress with a rewarding Career and Corporates to source well-rounded Engineers. The Practices and the Culture at the Institute has always been to provide Quality Education by enhancing the overall Educational experience of Students adopting a wide range of Academic, Practical, Co-Curricular, Extra-Curricular Programs in the State-of-the-Art Facilities, Services and Activities to enable the required exposure to a variety of Social, Cultural, Intellectual, Recreational Opportunities and Challenges.

About the Webinar:

The courses by IIT Madras-NPTEL are completely free and open to everyone across the world. A nominal fee will be charged only for those interested in taking examinations for certification. This webinar is expected to motivate the large numbers of young participants to assess the challenges ahead regarding MOOCs. The participants will have a rare opportunity to listen to the lectures of experts in various research frontiers regarding utility of MOOCs.
