

Diploma 2nd Internal Schedule (4th Semester) JUNE - 2023

STREAM	26.06.2023		
	11:20 – 12:00	12:05 – 12:45	12:50 – 1:30
ME	Theory of Machine	Thermal Engineering –II	Manufacturing Process-II
CE	Hydraulics	Advance Surveying	Theory of Structure
EE	Power Electronics Converters and Application	Electric Power Transmission and Distribution	Induction, Synchronous and Special Electrical Machines
ETCE	Microcontroller and Applications	Consumer Electronics	Linear Integrated Circuits
CST	Operating Systems	Introduction to DBMS	Computer Networks
AE	Automotive Power train	Fluid Mechanics & Machines	Automotive Component Design

STREAM	27.06.2023		
	11:20 – 12:00	12:05 – 12:45	12:50 – 1:30
ME	Engineering Metrology	Refrigeration & Air Conditioning
CE	Design of RCC and Steel Structure	Geotechnical Engineering	Rural Construction Technology
EE	Switchgear and Protection	Renewable Energy Power Plants
ETCE	Digital and Microwave Communication System	Electronic Measurements and Instrumentation
CST	Object Oriented Programming Using Java	Software Engineering
AE	Automotive Pollution & Control	Theory of Machines & Mechanism

DATE : 22.06.2023
