

2nd Internal Schedule (3rd Semester) DEC - 2023

STREAM	14.12.2023		
	11:00 – 11:40	11:45 – 12:25	12:30 – 1:10
ME	Strength of Materials	ME Materials	Mechanical Engineering Drawing
CE	Construction Materials	Basic Surveying	Mechanics of Materials
EE	Dc Machines and Transformers	Analog and Digital Electronics	Electrical and Electronic Measurement
ETCE	Principles of Electronic Communication	Electronic Devices and Circuits	Digital Electronics
CST	Computer Programming In C	Scripting Languages	Data Structures
AE	Strength of Materials	Heat Power Engineering	Automotive Materials and Manufacturing Process

STREAM	15.12.2023		
	11:00 – 11:40	11:45 – 12:25	12:30 – 1:10
ME	Manufacturing Processes-I	Thermal Engineering -I
CE	Building Construction	Concrete Technology	Transportation Engineering
EE	Introduction to Electric Generation Systems	Electrical Circuits
ETCE	Electric circuits and network	Computer Programming Language
CST	Computer System Organization	Algorithms
AE	Automotive Chassis	Automotive Engines

2nd Internal Schedule (5th Semester) DEC - 2023

STREAM	14.12.2023		
	11:00 – 11:40	11:45 – 12:25	12:30 – 1:10
ME	Power Engineering	Advanced Manufacturing Processes	Fluid Mechanics and Machinery
CE	Water Resource Engineering	Estimating, costing & valuation	Traffic Engineering
EE	Microcontroller and it's Application	Building Electrification	Industrial Drives
ETCE	Embedded System	Advanced Communication System	Industrial Electronics
CST	Microprocessor and Microcontroller	Advanced Computer Network	Theory Of Automata
AE	Motor Vehicle Act & Transport Management	Earth Moving Equipment & Farm Machinery	Fluid Power

STREAM	15.12.2023		
	11:00 – 11:40	11:45 – 12:25
ME	Power Plant Engineering	Automobile Engineering
CE	Building Service & Maintenance	Safety Engineering & Management in the construction sector
EE	Solar Power Technologies
ETCE	Mobile Communication
CST	Computer Graphics	Internet of Things
AE	Modern Manufacturing Process	Automotive Electrical & Electronics
