Mechanism/ Norms and Procedure for democratic/ good Governance

Elite college of engineering is committed to impart “quality education & training” leading to different engineering degrees and aims to be a global Institution through continual improvement.

The Institute facilitates faculty & support staff to work as a team and update their knowledge & skills to match the global industrial and technological development through defined objectives

Committed to imparting quality education & training leading to degree in “engineering & technology” and aims at being a global institution through continual improvement of its scholastic ability and effectiveness of the quality management system. The quality policy is communicated and understood by all stake holders within the institute and is reviewed for continuing suitability.

Quality Objective

- Up gradation of teaching facilities through addition of teaching aids and equipment.
- Up gradation of faculty through enhancement of their knowledge by upgrading the academic qualification, interaction with industry, through seminars, custom paper writing, visits, etc.
- To measure students satisfaction level periodically through student feedback reports, student placements through campus interviews and overall success in university examinations.
- Monitoring quality management system to ensure earliest corrective action in the event of any non-conformity.
-

Student Feedback on Institutional Governance/ Faculty performance

1. Written feedback forms are taken from students and feedback is also taken from websites.
2. Feedbacks are taken on different parameters.
3. The Feedbacks are then analyzed to get the final performance of the faculty.

		4. For the faculty whose feedback is found to be less than 3 out of 5, counseling is given by the respective Head of the Departments
